

Agenda

Homework:

- Complete/Rehearse Tutorial Script
- AM

Materials:

- iPad

Do Now:

1. Take out script
2. When finished with planner, pick up your iPad
3. Go to the website: www.desmos.com
4. Try out the website until everyone is ready

Working with Desmos

Add more functions

SAVE your graph

The graph of your function will appear HERE

Zoom in/out of your graph

Type in your function HERE

You can use this keyboard to type in functions

The image shows the Desmos graphing calculator interface. At the top, there is a header with "Untitled Graph" on the left, the "desmos" logo in the center, and "Create Account" or "Sign In" on the right. Below the header is a toolbar with a plus sign, undo/redo arrows, a settings gear, and a double left arrow. On the left side, there is a list of functions with a plus sign and a close button. The main area is a coordinate plane with a grid, x-axis from -10 to 10, and y-axis from -5 to 5. On the right side, there are zoom in (+), zoom out (-), and home (house) buttons. At the bottom, there is a keyboard interface with various mathematical symbols and numbers.

How to do a screenshot on the iPad

Screenshot with **iPad** & **iPhone**

Class Agenda

- Turn in Tutorial Scripts
- Student conferencing
- AM
- Recording on iPad (for those who completed Draft #2)
