

Agenda

Homework:

- Graphing vs. Substitution WS
- AM

Materials:

- Calculator (if needed)

Do Now:

- Take out homework
- Solve the following system using the substitution method

$$x + 3y = 1$$

$$-3x - 3y = -15$$

Do Now

$$x + 3y = 1$$

$$-3x - 3y = -15$$

Class Activity

- Substitution Practice
