

Agenda

Homework:

- Inequalities WS
- AM

Materials:

- Ruler
- Calculator (if needed)

Do Now:

1. Take out homework
2. On your desk solve:

$$2x - (3x + 8) < 15$$

Then graph on a number line

$$2x - (3x + 8) < 15$$

Then graph on a number line

Classwork

- Finish Systems of Equations Test (if not done)
- Work on Inequalities homework/practice
