### Distributive Property & Combining Like Terms HW

| Combining Like Terms                         |                      |
|--|----------------------|
| 1) $4x + 4 + 1 + 3x$                         | 2) $2k - k + 4$      |
| 3) $1 + 5y + y - 6$                          | 4) $6 - 7n - 2n - 8$ |
| Distributive Property                        |                      |
| 5) $2(6n - 8)$                               | 6) $-2(x - 5)$       |
| 7) $8(x + 1)$                                | 8) $-(5 - 3v)$       |
| Distributive Property & Combining Like Terms |                      |
| 9) $-2 + 5(4 + 3x)$                          | 10) $3n - 2(4 - 6n)$ |
